INTRODUCTION

Over the past 24 years SCAPE Public Art Trust has brought public spaces into the spotlight by installing and promoting public art in Ōtautahi Christchurch. Our commissioning programme has produced more than 216 temporary public artworks and 15 legacy artworks building a world-class public art collection for the city.

Within Christchurch's central city public spaces and supported through a range of partnerships, SCAPE Public Art is renowned for showcasing leading international contemporary artists as well as being a springboard for new local talent.

OUR VISION

SCAPE Public Art's vision is for people to be excited, engaged and stimulated by contemporary public art and for Ōtautahi Christchurch to be a city with a world-class collection of public art that is widely known, visited and viewed.

To create unique public art to express and showcase our Ōtautahi Christchurch narrative.
